

COBRAS CLUB NEWSLETTER

APRIL 4, 2012

Secretary Lynn Fehr called the meeting to order at 7:10 PM at Sapp Brothers Family Restaurant with 8 members present.

Secretary Lynn Fehr read the March 7, 2012 minutes. A motion was made to accept the minutes as read. The motion was seconded and carried.

Treasurer Dale Parker was not available for a treasurer's report because he just got back from an 800 mile drive.

President Larry Puls was at the meeting. Welcome back Larry.

OLD BUSINESS

Lynn Fehr gave a report on the Strategic Air & Space Museum's indoor air show. Keith Paskewitz & Lynn Fehr represented the COBRAS Club. There were tables for every active model airplane club. Also, there were displays for full scale activities such as Hot Air Balloons, EAA & the Glider Club. There was indoor R/C flying, electric, control line and scale paper and card (67 lb) flying models. All pilots got free pizza and cold drinks. The hours of flying were from 10:00 am to 4:00 PM. Museum managers said that they had a 15+% increase in visitors for this indoor event.

NEW BUSINESS

Dale Parker called and stated that we need to get a 20' railroad tie which can be cut up to make a drag for the club road. The railroad tie needs to be cut into two pieces 7' long and two piece 3' long. Also, we need a 3 point blade for field maintenance.

The election of club officers was discussed. This will be decided on at the next meeting. Larry Puls stated that he had sent in for the club charter certificate and received our 744 charter for 2012.

With no further business a motion was made to adjourn for pie and coffee at 7:32 PM. The motion was seconded and carried.
